RURAL SCHOOL SWIMMING SPORTS DAY

What a great effort that everyone made and well done to all the students who qualified for the Masterton Swimming Champs this Wednesday. We will be sending a letter home with all the qualifying students today to confirm the organisation for the day. Please remember Gene Bartlett at Wainuioru is the manager of our team for the day.

CHINESE LANGUAGE

Our new teacher Iris has started with us on Wednesdays and we look forward having her with us each week.

KI-O-RAHI COASTAL CLASSIC

Well done for everyone being great hosts, showing great sportsmanship and positive sideline behaviour at our tournament. Also a huge thanks to Sandy, Janelle, George, Sarah, Abi and Pania for their support, in so many ways, on the day.

TE PAPA TRIP

On Tuesday the 19th of March we will be all going to Te Papa for the day and Mrs Stevens is working hard to finalise this for us now. There will be a newsletter coming home soon for you with all the information you need. What a lucky school we are with staff who are willing to organise amazing experiences like this.

THURSDAY THRASHERS

Watch this space for an exciting new opportunity that will be your chance to meet with your community in a fun and sporty competition. There will be a flyer sent home tomorrow for you to register your team with us.

MOVIN' MARCH

This month is dedicated to Movin' March and we are encouraging you all to be active and get out from the house and do as much exercise and activity as you can, as a family. We have some awesome bush walks, mountain bike tracks, BMX facilities, a skate park, an amazing beach, plenty of sports reserves and fields for you to get out and do some exercise! Please, if you are out doing some cool stuff post a photo to our Facebook group to show us what you are up to and I can almost guarantee your child a prize for everyone who does this! Let's get active and movin' this March!
