CURRICULUM LEARNING

Well done to all the amazing students who are working hard on their learning goals. I can honestly say that the classrooms are humming at the moment and walking into each class is a pleasure to see the kids really striving to do their best. The atmosphere in each class is to be commended and this is due to the staff and the work they are planning and providing, the students for the care and effort they are putting in and also to you parents who are showing an interest in your children's learning across the term. It has also been amazing to see the kids and the way they are interacting in the playground. Kids of all ages are joining in collaborative games with very minimal disagreements and it is a pleasure to be out on duty. I hope everyone keeps up this amazing attitude to learning and play until the end of the term and then have a good break to recharge for Term 2.

IT'S MOVIN' MARCH

Last couple of days to get your posts on Facebook (with you in the photo or video!) to get a prize for Movin' March!

COLLECTING BREADTAGS – From Logan and Luke

Last week at Whareama School some of the kids are starting to collect bread tags for a charity called Bread Tags for Wheelchairs, to help the people in Africa who can't afford wheelchairs. We encourage you to collect them and help us on our journey by sending these into school with your children.
