Term 3, Week 1

FROM THE PRINCIPAL

Hi Everyone and welcome back to Term 3 for 2022. We welcome Jaxson into Timatanga and Aaron into Whakatutuki for the start of their time with us at Whareama. I would like to extend a warm welcome to both these boys and their whānau to our school learning community. As you can imagine there are many events planned for Term 3 and this looks to be a busy term with minimal interruptions, as long as Covid and illness keeps themselves away from us! We have strongly recommended that all students from Year 4 upwards wear masks in class and we will be encouraging them to do this. Also if you are visiting us at school please pop a mask on when entering all school buildings. There are so many events coming up so please keep an eye on the timetable at the bottom of this newsletter each fortnight, or look on our school Google calendar and keep an eye out for extra newsletters if the events involve your child. The light is getting longer at night now so we will hopefully have the sun make more appearances as the term goes along!

End of Term Trip

Thanks to all the parents who came along and helped make our day so successful by supporting our groups as they went around each activity. Everyone seemed to have a great day and it was the ideal way to finish Term 2.

Football in Schools Programme

We are very lucky to have Radha McGlashan from Wairarapa United who is coming along each Wednesday to take all the kids for the football in schools programme. She will be taking the kids through the fundamental skills needed for football and we have her coming in for 8 weeks this term.

Kia Hakinakina

This year we have been part of the trial Kia Hakinakina sports programme in schools. This programme requires a lot of funding to ensure the programme is delivered each fortnight out to our school. We have just found out that we have had a successful application with Lakeview School to have this programme funded for another 18 months. This was funded through the Masterton Trust Lands Trust Wellbeing grant.

Learning Hui

Thanks so much to all the parents who came along to the child's learning meetings on the last week of Term 2. Please remember if you ever need to chat about your child's learning we are always here for you so please just call the office or your teacher to make a booking for an after school appointment.

First Aid in School

What a great day this was and some great learning for our Year 3-8 students. We do hope they never need to use these skills but it is good to have them in the your kete of life skills – just in case.

School BOT Elections

Are you someone who thinks they could contribute positively to our amazing current Board of Trustees? Can you help govern the school in the best interests of all students who attend Whareama School? Do you like to be involved in supporting all stakeholders in our school and the ongoing improvement for all learners? Then please consider being nominated or nominating yourself for our upcoming BOT elections. These take place in September this year. Details and nomination forms have been emailed to you. For more information please contact our returning officer Diana in our office.
